Marshallville February 26th 1843

My dear Hewett

I am afraid the Colonel will think that Fury's name appears rather too often on the Defaulters list, but the fact is, it is the only method I have of keeping him sober, for immediately I release him from drill, he makes a point of getting drunk, he is the only man on the Detachment that gives me any trouble

I remain My dear Hewett
Yours sincerely
