Que St-James 63

Chère Finette  
Vous savez toujours chère  
de n'avoir encore rien reçu de moi;  
mais ne croyez pas que moi-même que ce  
soit indifférence de ma part. Non  
je suis d'ailleurs chère Finette, que je  
n'oublie jamais votre petite figure  
en l'absence que moment de m'écarter  
dépant. Et une charmante lettre  
qui m'est arrivée à Paris m'a  
causé beaucoup de plaisir; si je  
n'y ai pas répondu immédiatement  
c'est que je l'ai reçue tout juste  
comme je causais la France;  
et depuis mon retour ici vous  
sauriez que j'en ai peu eu le temps  
occupé par des projets d'avenir  
et au revoir.  
Écrivez-moi encore et je  
vous enverrai plus longuement  
à ma prochaine lettre, j'en im-  
agine de vous m'envoyer cette carte  
laquelle par vous elle a eu de  
de courages.  
Adieu et j'embrasse à moi-même  
cette famille, et priez-moi de dire  
à mes parents, à vos parents et à  
à moi-même.

Item 615-24 – **The short line Grand Junction Railway Co.** – 1881, 3¢ SQ tied by Toronto duplex cancel on Grand Junction Railway Co. cover to Toronto. Perhaps a way letter entered and postmarked in Toronto on arrival. The GJR was a short-line railway between Peterborough and Belleville. Originally designed to be a loop starting near Toronto and running to Peterborough, then southeast to meet GTR on the banks of Lake Ontario. By the time it had been built other lines had run into Toronto, so the GJR instead ran from Belleville to Peterborough, and then to Omemee and met the Midland Railway of Canada. Mining related. A tough one. \$150.00

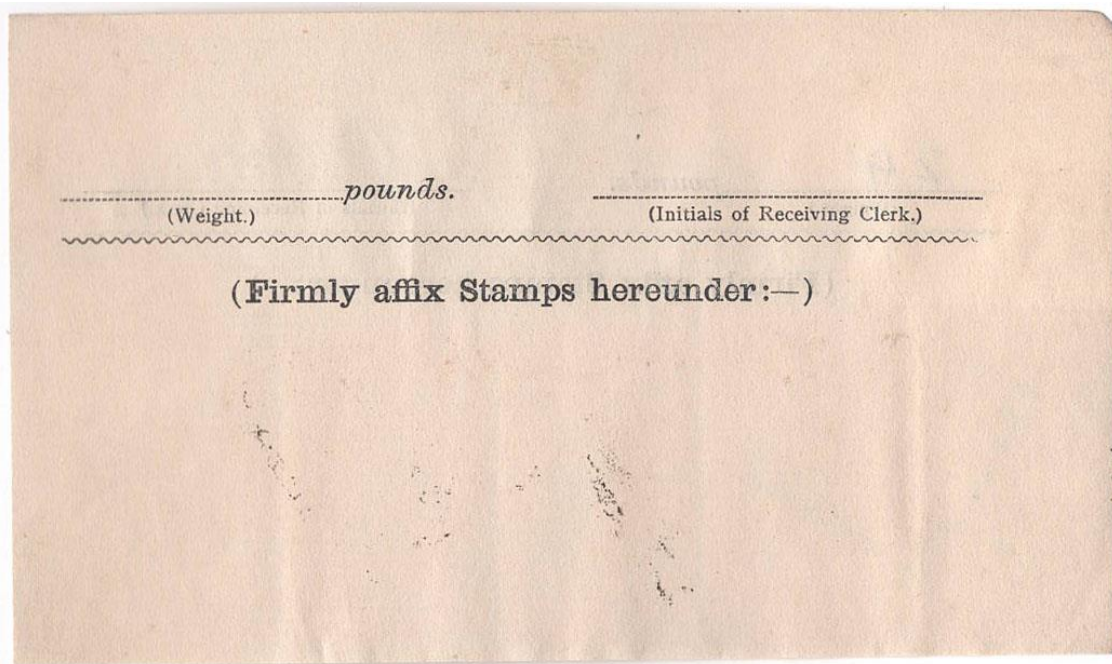

Item 615-25 – **European and North American Railway** – 1871, 3¢ SQ tied by Saint John NB datestamp on European and North American Railway c/c cover paying 3¢ letter rate to Dorchester NB. New Brunswick's first railway operated from 1857 until 1872 from St. John to Pointe-du-Chêne (near Shediac). It had been taken over by the N.B. Item 615-26 – **Toronto - OX1 first officially sealed issue** – 1891, 3¢ SQ tied by Toronto duplex cancel on cover, dated MY 5 91, paying 3¢ letter rate to Cobourg, then to Norwood and Apsley via Belleville and Peterboro (b/s). Likely forwarded to the DLO contrary to regulations as the cover had a return address. The regulations stated in part: *if a letter showing the well-known notice having the sender's name and address on the outside, is sent to the DLO and there opened in error, that the officially sealed label is applied, to show that such letter has been opened and not by any unauthorized person.* While the OX1 is not tied, the cover shows the proper use examined there and returned to sender. The reverse shows 8 receiving cancels and support for the unfolded seal. Interestingly, the note has the manuscript not called for and "Opened by mistake by B.J. Hales Apsley and not the intended addressee Hugh B. Hales Jr. The OX1 stamp is faulty as customary. A proper usage of this stamp on a opened in error and then resealed cover. Rare and the second earliest of only four recorded covers bearing the 1879 OX1 stamp. Ex Lindemann, Brigham, Draves, Cooper. \$4,500.00

Then in 1986 in his larger publication published by Hennok, June 8 was back then the earliest one. In 2004, George Arfken published a last minute update to his book with a June 5 example - courtesy of VW. \$500.00

Item 615-36 – **St. John's Paid All handstamp during shortage** – 1897, stampless reply cover mailed locally in St. John's, dated OC 15 97, circular "Paid All" handstamp to Le Messurier. By the end of September 1897, the 1¢ Cabot that had been used on newspaper and on circulars was totally depleted and suppliers of earlier issues were so low that pending the surcharging of the 1890 3¢ grey, a Paid All handstamp was used during October. A very pretty usage before the issue of the 1¢ surcharge on the 3¢ grey. \$100.00
