He also discusses an upcoming address by Sir Thomas Barclay at the Canada Club, expresses hope that Bain might attend, and shares further notes on Barclay's speaking engagements. Sir Sandford Fleming (1827–1915), renowned civil engineer and scientist, was Canada's foremost railway engineer of the 19th century and the visionary behind the Three-Pence Beaver Canada's first postage stamp. James Bain (1842-1908) was a bookseller, publisher, first Chief Librarian of the Toronto Public Library. The document bears a wax seal and ribbon affixed to the upper left corner. A historically significant artifact, it reflects Canada's early commitment to international diplomacy and multilateral cooperation in the postwar era. The League of Nations, established in 1920 to promote peace and global collaboration following World War I, sought to prevent future conflicts through diplomacy, disarmament, and collective security. Though it achieved notable progress in humanitarian and social domains, it ultimately failed to prevent the outbreak of World War II and was succeeded by the United Nations in 1946. \$150.00 **SOLD**

Item 652-37 – Calgary hatchery promotional mailing – 1934, 1¢ Medallion tied by Calgary machine cancel on James Fox Quality Hatchery advertising cover, paying the 1¢ printed matter rate to Standard, Alta. Enclosed is a remarkable promotional insert: highly illustrated special offers for various poultry breeds, a chick starter kit advertisement with order form, and a typed letter addressed to the poultry keeper. Item 652-38 – **Monument Que (Giffard)** – 1935, 2¢ Medallion tied by Quebec PQ machine cancel on cover attempting to pay 2¢ drop letter rate to B.P. Monument (b/s), Giffard, Quebec. Although the Monument Post Office might be considered part of greater Quebec City, in the 1930s it was deemed too distant to qualify as local. The cover was charged 2¢ postage due for double deficiency on the 1¢ shortpaid (due *stamp precancelled by roller*). The Monument Post Office, located on *Chemin Royale* within Mastai near the Sanatorium Mastai, served a territory divided between two seigneuries west of the Beauport River. This included the former municipalities of Giffard and Saint-Michel-Archange, in the southeastern portion of the seigneurie of Notre-Dame-des-Anges, originally granted to the Jesuits in 1626. The office operated from 1913 to 1946. A scarce and historically layered cover from the Quebec City Beauport region. \$75.00

Item 652-39 – **3¢ preferred letter rate to Argentina** – 1937, 3¢ GEOV stationery envelope mailed from Dunnville, Ontario, paying the 3¢ preferred letter rate to Argentina, with backstamp confirming delivery. A fine cover. \$50.00

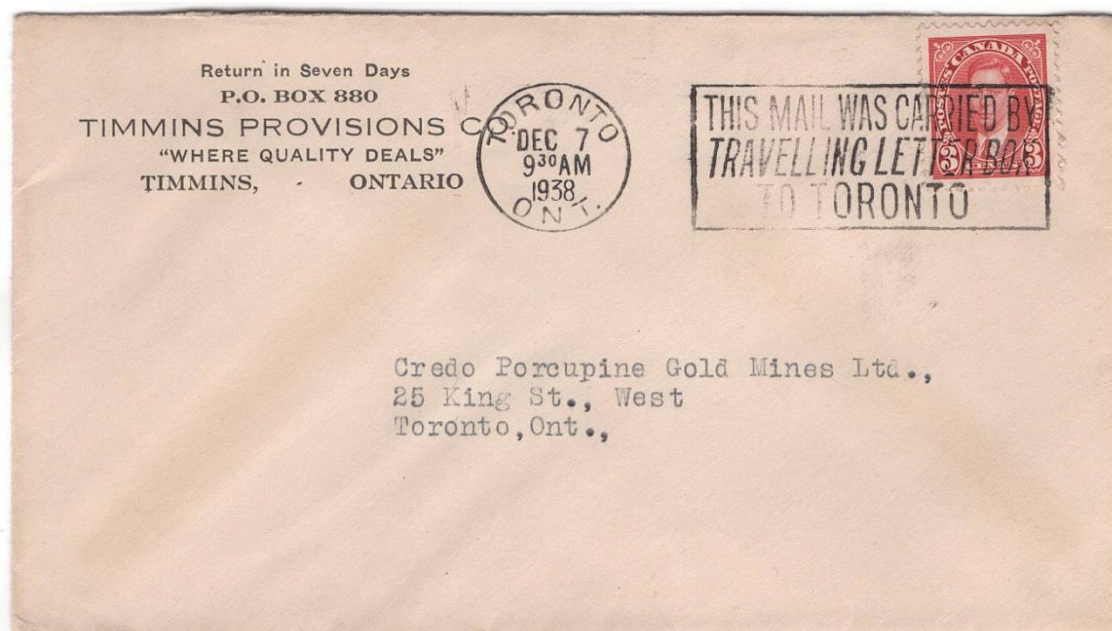

Item 652-40 – **3¢ Empire to Leith Harbour, South Georgia** – 1940, 3¢ GEOVI stationery envelope mailed from Schumacher Ont paying 3¢ letter rate to Leith Harbour, South Georgia, via the Falkland Islands (b/s). Leith Harbour was one of several whaling stations on the northeast coast of South Georgia, established and operated by an Edinburgh-based company. The return address reads: "Postmaster at Leith Harbour/if John Harrison is not there, please forward letter to Scotland.". The envelope shows folds and wrinkling from handling. A rare South Atlantic Ocean destination. \$250.00 **SOLD**

Item 652-41 – **Lac Bouchette PQ MOOD cancel** – 1936, 2¢ Admiral, 1¢ Medallion tied by Lac Bouchette PQ MOOD handstamp on cover paying the 3¢ letter rate to Toronto. The MOOD handstamps were typically used for administrative purposes within the post office, including money orders and official documents. Scarce on regular mail. An unusual and appealing Lac St. Jean usage. \$35.00

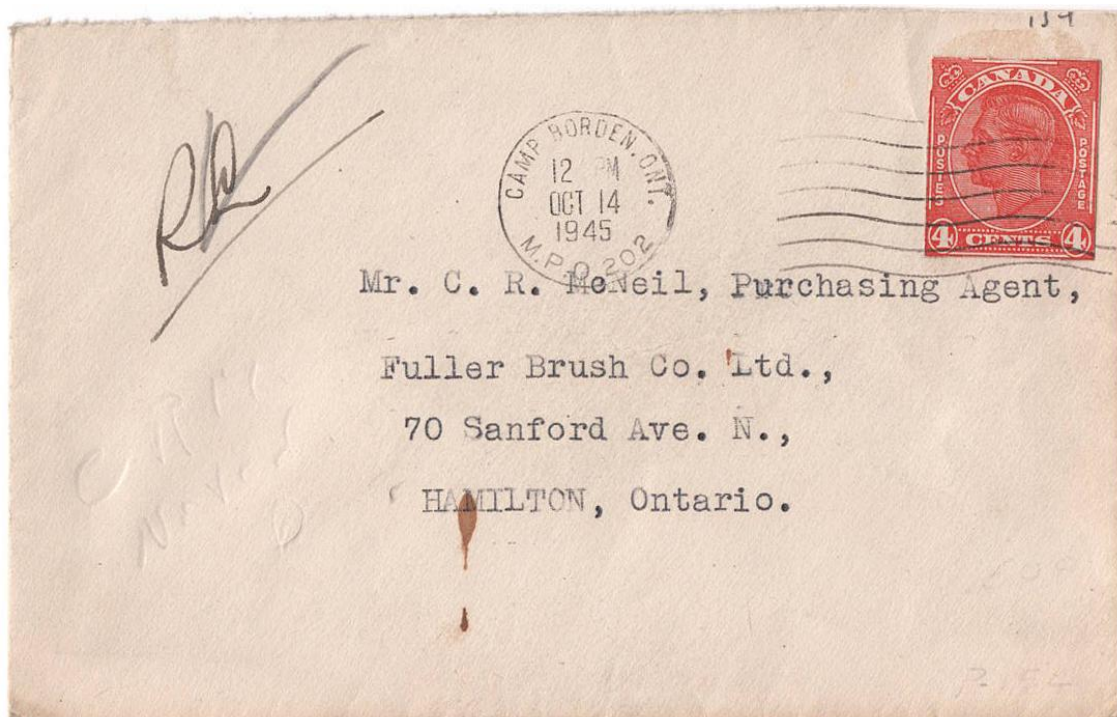

Item 652-42 – **3¢ Mufti double print on cover** – 1940, 3¢ Mufti double print and 10¢ Pictorial on military cover from the Queen's Own Cameron Highlanders, tied by Military Post Office No.301 cds (Ottawa) paying 13¢ registered letter rate to Hamilton (b/s). The 3¢ Mufti stamp is well known for its many printing varieties; this dramatic double impression is a standout example. A striking showpiece. \$500.00 **SOLD**

Item 652-43 – **Timmins – received as way mail in Toronto** – 1938, 3¢ Mufti tied by Toronto Travelling Letter Box machine cancel on cover from Timmins, Ontario, paying 3¢ letter rate to Toronto. This cancel was applied at Toronto Union Station to uncanceled mail arriving by trains, part of the “way” mail system used for dispatches from Northern Ontario towns. Such covers range from common to scarce. Addressed to the Head Office of Credo Porcupine Gold Mines Ltd in Toronto. A clean and appealing mining-related and way cover. \$40.00 **SOLD**

Item 652-44 – **Rouyn Quebec – received as way mail in Toronto** – 1938, 3¢ Mufti tied by Toronto Travelling Letter Box machine cancel on hotel c/c cover from Rouyn Quebec, paying 3¢ letter rate to Hamilton. This cancel was applied at Toronto Union Station to uncanceled mail arriving by train, part of the “way” mail system used for dispatches from outlying towns. An especially rare Quebec-origin example of this routing practice, with a crisp strike and attractive commercial usage. A standout item for collectors of Abitibi mail, Northern mail or Travelling Letter Box markings. \$75.00 **SOLD**

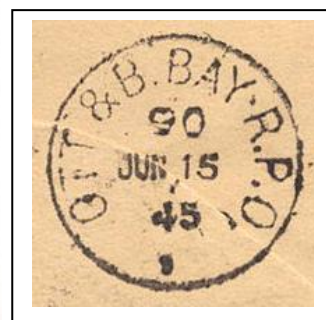

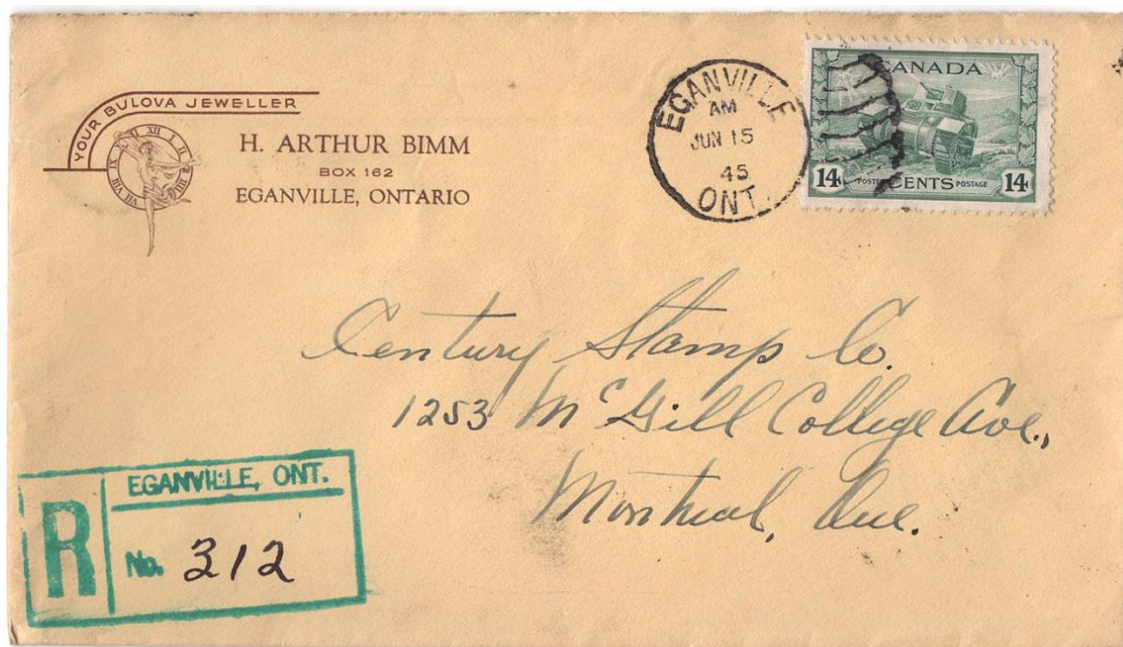

Item 652-45 – **4¢ GEOVI stationery envelope cutout** – 1945, 4¢ GEOVI stationery env cutout affixed to cover and tied by Camp Borden MPO 202 machine cancel on Armoured Corps envelope, correctly paying 4¢ letter rate to Hamilton. Although cutouts from postal stationery were not valid for postage, this unauthorized usage was either overlooked or tacitly accepted, likely due to its origin from a serviceman. \$40.00 **SOLD**

Item 652-46 – **Chewing Gum booklet panes and stamps** - 1947, 4¢ War Chewing Gum booklet panes and single stamps (12) tied by Toronto Airmail Section cds on cover overpaying 45¢ triple weight airmail letter rate to England. Redirected within to Plymouth. A spectacular Chewing Gum booklet franking. \$75.00 **SOLD**

Item 652-47 – **Blackout roller cancel** – c1942–43, pair of 4¢ War Issue tied by a highly unusual and unofficial blackout roller cancel on 1¢ GEOVI post band, paying 9¢ printed matter rate to Plevna Ont for a 36 ounces bundle or fraction thereof. The post office name was deliberately removed, in keeping with wartime security protocols. Although official blackout devices were distributed in 1942, this roller cancel appears to be a locally improvised solution, likely devised by a resourceful postmaster at an unidentified office. This is the first example of a blackout roller cancel I have encountered, an extraordinary and enigmatic piece of WW2 domestic postal history. A true discussion piece, worthy of further study or to be published. \$100.00 **SOLD**

Item 652-49 – 20¢ subsequent AR fee card – 1952, 20¢ Peace Issue tied by Hanover Ont duplex cancel on official Post Office AR card (Acknowledgment of Receipt), paying the exceedingly rare 20¢ fee for subsequent delayed acknowledgment to Winnipeg (Wpg Station B b/s). A seldom-seen rate applied after initial delivery. A spectacular and very elusive AR usage, combining rate rarity with postal formality. A true conversation piece that adds serious weight to any exhibit. \$300.00 **SOLD**

Item 652-50 – **Niagara Falls underpaid postcard to Zurich** – 1951, 2¢ Postes Postage tied by Niagara Falls machine cancel on postcard underpaying 3¢ postcard rate to Zurich Ont. A 2¢ postage due was assessed and paid with a 2¢ Fourth Issue postage due stamp, neatly tied by a Zurich MOTO handstamp (Money order handstamp). A clean and well-struck marking that enhances the appeal of this boring shortpaid domestic postcard. \$25.00 **SOLD**

Item 652-51 – **Local Christmas cover with special delivery and deficiency** – 1966, 5¢ Christmas stamps (3) tied by Toronto Ont cds on cover underpaying 29¢ drop special delivery letter rate to a local address. The shortpayment of 14¢ was caught and charged double deficiency, 28¢ postage due. Christmas accompanies. A striking example of modern Christmas mail with a rare rate anomaly. \$50.00

Item 652-52 – **Eleanor Roosevelt letter to Quebec Rolland Family Paper Mill** – 1959, typed letter signed by Anna Eleanor Roosevelt, accompanied by its original free franked envelope postmarked New York, 1959, and addressed to Mrs. Rolland of the distinguished Rolland Paper Company family (*Marc and Roméo Rolland*). Initially misdirected to St. Ours, Quebec, the letter was rerouted to Mont Rolland and then to St. Jérôme. The correspondence is mounted on a scrapbook page and includes a related letter from the company's Head Office referencing the exchange. Eleanor Roosevelt (1884–1962), renowned American political figure, diplomat, and activist, served as First Lady of the United States during Franklin D. Roosevelt's presidency (1933–1945). This compelling piece offers a tangible link between one of the 20th century's most influential women and a notable Canadian industrial family. \$300.00

Item 652-53 – **25¢ airmail rate to South Africa** – 1952, 10¢ Peace and 15¢ Stamp Centenary tied by Aurora Ont machine cancel on Sun Life cover paying 25¢ airmail letter rate to South Africa. An unusual pairing not often seen on commercial mail. \$35.00
